## About Us

Reputed company that came into being in the year 2002, offers its wide impressive range of Polisher Dust Collector, Gold Plating Machine, PP Settling Tank & Magnetic Polisher, Vacuum Wax Injector, Digital Vacuum Wax Injector, etc, under its own company name 'Jewel Cast' (Brand). In this period of 5 years, our brand has attained huge market appreciation for being the single reliable source from where superior in functionality, unmatched in quality and super in finishing Jewellery Machine, Casting Machine and much more can be availed. We are a reliable manufacturer, who before rushing hurriedly into production for attaining competitive advantage, conduct deep market studies in order to design and develop offerings in sync with customers' preferences. Our business entity has adopted several customers-focused approaches to increase contentment level of clients. We have formed alliances with few of the renowned transporting agencies that aids in doing swift deliveries to near and far places.

Jewel Cast is a 2013 established prestigious company that has its roots in Mumbai (Maharashtra, India). Modern production methods, innovative business models and deep market knowledge have made us a name to remember for infinite years when it comes to purchase Automatic Burnout Furnace, Gold Plating Machine, etc. Keeping customers satisfied with our products and services is our major aim; to do this, we adopt strict quality control programs and clients-focused policies. Each produce prior getting supplied is closely examined by our team of experts on numerous quality parameters. Capability to cater bulk requirements of clients has made us their perfect partners for longer run. We get repeated orders from existing customers due to high quality standards, timely delivering service and bulk order completion.
